OFFICE OF LEGISLATIVE COUNSEL

Monday - 12 February 1962

25X1 1. [] - JSW) Talked with Robert Smart who stated Mr. Vinsen would like to have the monthly meeting of the CIA Subcommittee of House Armed Services with the Agency on the 22nd of February despite its being a holiday. Tentatively we discussed the agenda and Smart thought certainly the Subcommittee would want to know what we could give them at that time about the Powers situation.

25X1 [] Smart suggested that the Cuban/Latin American situation might be a good topic. I also suggested that this would be a good time to cover the basis for the decreased estimates in the Soviet ICBMs. I advised Smart that I would check the time with the Director and we will discuss further the agenda.

25X1 2. [] - JSW) Mr. Critchfield telephoned to advise that his contacts in State had raised with Robert Lee the query from Burleson's office concerning [] and asked would I call Lee on this which I will do. He also inquired if we could get some indication on the scheduling of the Supplemental Appropriation Bill for State, indicating that PCS travel was being held up now for lack of funds.
